D. OPEN FORUM

Linda Harris – Greg, after the June 2 election are you planning any follow up meetings with the poll workers to see how they are feeling physically and emotionally?

Greg Katherman – I wasn't planning on doing that

Teri MacBride – When I have worked the polls, comments from poll workers were given to county staff, are they usually shared with the Commissioners?

Greg Katherman – We in the Election Office look at them, they are usually logistical items, but I don't have a problem doing that, I can share them with the board.

There was no other business presented for discussion at this time.

Commissioner Reber declared meeting adjourned.
